## Corridors of light

C. C. Jensen A/S designs, produces and install ship windows, glass and frame constructions according to all major international and national authorities and according to ISO 1751 and ISO 3903.

- Scuttles
- Windows
- Fire rated products
- Skylight
- Inside glass applications
- Windscreens
- Window wipers
- Washing system integrated in the window frame
- Repair & maintenance

## STANDARD SCOPE OF SUPPLY

- Mounting and welding instructions
- Drawing and spare parts list for each window type, also available as DWG/DXF-file
- ISO standard cut-out sizes

*“Safety - energy saving and good looking design”*

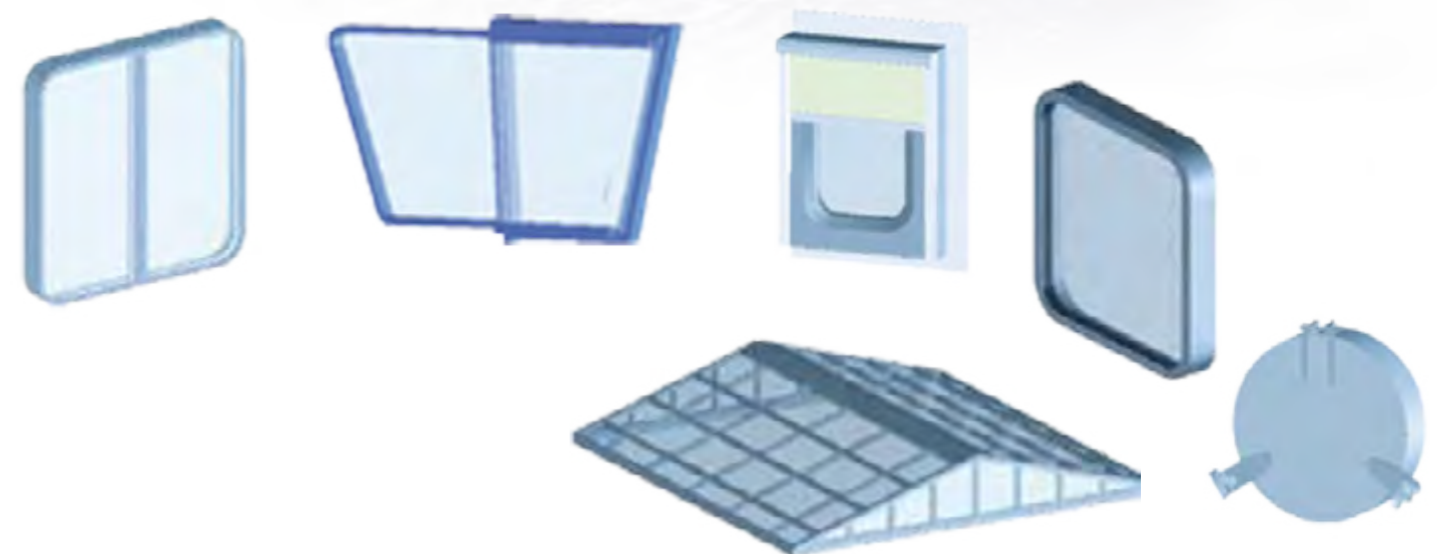

## GLASS

Through many years of expertise we have accumulated substantive know-how to recommend glass applications.

## FRAMES

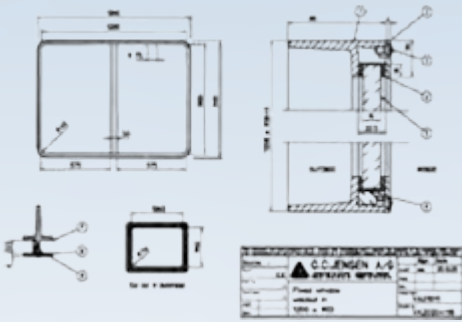

C. C. Jensen A/S can provide specially designed frames and has a wide range of standard frame profiles available from stock. All frames are delivered with preservation, i.e. corrosion class 4, ISO standard with various types of final surface treatment

All units are defined to fulfill customer and classification requirements, fully tested and documented.
